Product Data Sheet

Membrane Cleaner

Description:

BRITE-n-EZ™ Membrane Cleaner is used to clean both *RUBBERALL® EPDM* and *BRITE-n-EZ™ TPO* surfaces before installing seam tape, taped products, T-Joint Patches, Cut Edge Sealant, etc. This product carries both the *RUBBERALL®* and *BRITE-n-EZ™* names on the package.

Physical Properties:

PROPERTY	PHYSICAL PROPERTIES
Color	Thin Clear liquid
Hazardous Components	Solvent Naphtha (petroleum), light aliphatic (VM&P) (CAS# 64742-89-8)
Specific Gravity	0.75
VOC Content w/Water	100%
VOC	6.20 lbs / gal.
Flash Point	50° F (10° C)
Weight	6.24 lb per gallon

Application Instructions:

1. Do not dilute. Wear impervious gloves to prevent contact with skin, safety glasses and protective clothing.
2. Do not smoke. Extinguish all flames and pilot lights and turn off stoves, heaters, electric motors and other sources of ignition during use and until all vapors are gone. Do not inhale vapors or spray mist. Have adequate ventilation or use proper fitted respirator.
3. With solvent impervious gloves, soak a clean cloth with *Membrane Cleaner*. Wipe the area to be bonded with the cloth.
4. Return the cloth to the Membrane Cleaner container frequently.
5. Change cloth frequently.

Product Data:

- Available Sizes:** 1 quart cans
1 gallon pails
- Carton Size:** 12 (twelve) – quart cans per carton
4 (four) – gallon pails per carton

Storage: Store in original containers on shelves or pallets in a cool, dry well ventilated facility. Store away from all source of direct heat and ignition. Protect against electrostatic charge.

Shelf Life: The shelf life is approximately 24 months if stored in original unopened containers at temperatures not exceeding 80°F. **ROTATE STOCK.**

Precautionary Data:

USE ONLY WITH ADEQUATE VENTILATION. FLAMMABLE LIQUID AND VAPORS. Vapors may cause flash fires. Vapors may ignite explosively under certain conditions. Keep away from fire, sparks, and sources of heat. Do not smoke. Close container after use. Harmful if inhaled, causes eye irritation.

For professional/industrial use only.

WARNING: Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal.
